

Fire Safety

COURSE AIMS

The aim of the course is to introduce new members of staff or update existing staff with knowledge of Fire Safety in the workplace. This certificate will also help to increase self-motivation and confidence.

This course will **not** make you the 'Fire Warden' for your workplace

CONTENT

The content of the course is geared towards those working in all businesses at all levels. The course is of a highly theoretical nature with some practical input.

COURSE BOOKS

All course material are provided by WANT Medical Services

ENTRY REQUIREMENT

Any person on approval of the employer can attend. Candidates must attend 100% of the course.

DURATION

This is a 3 hour course, starting at approximately 9.30am and ending at 3pm.

ASSESSMENT

The students are assessed on the basis of their performance during the day. Successful candidates will be awarded a certificate of attendance.

OBJECTIVE

Successful completion of the course will enable candidates to:

- Identify potentially hazardous situations
- Quickly and efficiently alert the emergency services
- Understand the importance of evacuation procedures
- Ensure Fire Extinguishers are used and stored correctly
